WORK EXPERIENCE

Graphic Designer, Gallery 37 / Jun–Jul 2012

Gallery 37 allowed me to expand my portfolio, learn new programs, along with following exciting prompts that prepared me for design related jobs.

Graphic Design Intern, MSI / May–Aug 2016

At MSI (Museum of Science and Industry), I created designs for medallions, wall decals, logos, and projects related to future events at the museum.

Postal worker, MICA Postal and Print / Aug 2016–present

My main duties at Postal and Print is to print out anything that students and faculty need, deliver mail to faculty and school buildings, and provide students USPS, UPS, FedEx, and other mailing services.

EXHIBITIONS

Typography Conference / Dec 2016

My work focused on promoting a design conference in Chicago, Illinois. Promotional work included: Instagram posts, schedule of events, and a poster.

About Anything Zine / Feb 2017

My zine focused on the positive and negative statements on black hair. Turn Your Hair On focused on how people view black hair, whether it's natural or straight. The visuals were displayed from Afro Sheen and Ultra Sheen commercials paired with interviews from online sources, books, and magazines.
